Lives Well Lived

Shirley Glance OAM, President of Post Polio Victoria will be our guest speaker at this year's AGM online Webinar.

Shirley will tell how earlier this year Post Polio Victoria made and entered a video in the Focus on Ability™ annual International Short Film Festival. This festival asked film makers to 'Focus on the Ability' of people with a disability and tell a story on film for the world to view.

Films are judged by a professional judging panel and subject to an online voting process, with separate prizes for each category. Awards are presented later this year.

Post Polio Victoria's entry is in the "Open Entrant – Documentary" category and titled "Lives Well Lived". Their film features three members of Post Polio Victoria: Shirley Glance OAM, Robyn Abrahams, and Dr Peter Freckleton.

Why did PPV decide to enter this competition?

Where did the idea originate?

How was the video made?

Shirley will answer these questions and many more and will show the video during her presentation.
